5. 'Christians should only help other Christians.'

[12 marks]

Some Christians agree:

Christians are family, and many believe that family should come first

Jesus taught *"A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another."*

There is a lot of need inside the church. Christians should help here before looking outside

Some Christians disagree:

Jesus spent his time with those who were not religious. He often argued with the religious> Christians should follow this example and seek those outside the church and help them

Christians should help anyone who needs help regardless of their faith "love your neighbour"> The Good Samaritan show this (Jesus' teaching)
